PROFESSIONAL SUMMARY

Final-year student skilled in Python Full-Stack Development and Data Science, with experience building end-to-end web applications using HTML, CSS, JavaScript, Python, and SQL, along with data science, machine learning, and visualization to drive data-informed solutions.

PROJECTS

Printed Circuit Board (PCB) Quality Inspection System

July 2025 – August 2025

- Developed an AI-powered system to detect and classify PCB defects with high accuracy using YOLOv8. Built and annotated PCB defect dataset and deployed a web interface for real-time defect detection.
- Technologies Used:** Python, YOLOv8, Machine Learning, HTML, CSS, JavaScript, Node.js

Student Performance Prediction – Besant Technologies

October 2025 – November 2025

- Built a machine learning model to predict student performance using academic and demographic data, including data preprocessing, EDA, and model evaluation.
- Technologies Used:** Python, Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn,

EDUCATION

Bachelor of Engineering – Computer Science and Engineering

Anna University Regional Campus , Tirunelveli

2022 - Present

- CGPA : 8.37 / 10

Professional & Academic Development:

- Participated in **Sparzo'24** symposium and **Symp AI** event; awarded participation certificate and engaged in AI-focused technical discussions.

SKILLS

- Programming Languages:** Python, SQL, HTML, CSS, JavaScript
- Data Analysis & Visualization:** Pandas, NumPy, Matplotlib, Seaborn
- Machine Learning:** Supervised learning, Scikit-learn
- Soft Skills :** Problem Solving (Hackerrank , CodeChef , Leetcode), Communication Skill, Leadership, Teamwork and Collaboration.

INTERSHIPS

- Intern Trainee – Artificial Intelligence and Machine Learning
TANSAM | Chennai

July 2025 – August 2025

- Intern Trainee – Data Science

Kevel Global Solutions | Madurai

January 2025 – January 2025

CERTIFICATES

- SQL (Basics & Intermediate) Certificate of Accomplishment - HackerRank
- Data Science Using Python (July, 2025 – Oct, 2025) – Swayam MHRD
- Machine Learning (Certificate of Virtual Internship Completion) – Syntecxhub
- Python Full Stack Development – Besant Technologies, Tambaram
